

TAKING THE
GOSPEL OF
PEACE TO
OUR NATION'S
WARRIORS!

A WORD FROM THE EXECUTIVE DIRECTOR

We are grateful for God's faithfulness and the generosity of our partners. This year marked a key milestone for our growth, strategic planning, and mission alignment. In April, I was hired as the Executive Director to serve as chief fundraiser and to strengthen church and individual relationships — a role in which I'm honored and excited to serve in. With staff and Board support, this will drive the Eagle Commission's growth and health in the years ahead.

Dr. Mark Penfold continues to shepherd **your** chaplains as the Endorsing Agent. Karen Foster has thrived as our bookkeeper since September 2025, succeeding Sue Lehman—thank you, Sue!

Through biblical stewardship and careful planning for staff growth and our relocation from Winona Lake, Indiana, to Columbus, Ohio, we balanced our budget. We remain healthy and hopeful.
